DIVISION 08 - OPENINGS		
Item	Unit	Quantity
Aluminum storefront	SF	180
Hollow metal doors	EA	12
Windows, aluminum	EA	18

DIVISION 09 - FINISHES		
Item	Unit	Quantity
Drywall, 5/8 in.	SF	3,360
ACT ceiling	SF	1,240
Floor tile	SF	980
Paint, interior	SF	3,360

How to read this report

Every takeoff we deliver follows this same structure: quantities organized by CSI division, tied to plan sheets, with a markup set showing exactly where each number came from. You get the Excel backup plus the marked plans, so you can defend every line at bid time.

Want a takeoff like this for your project? Send your plans to sales@horizonstonepro.com or request a quote at horizonstonepro.com.
